AN INDISPENSABLE VOLUME
FOR EVER MERCHANT, FARMER OR MECHANIC.
A COMPLETE DIRECTORY OF INFORMATION FOR THE
YEAR.

VOLUME FOR 1865.

THE AMERICAN
ANNUAL CYCLOPÆDIA,
AND REGISTER OF IMPORTANT EVENTS FOR THE YEAR.

This work was commenced in the year 1851, and is published one volume annually, in the same style as the "American Cyclopædia." Each volume is intended to be a Cyclopædia of all the knowledge of the world, and it now embraces the political, civil, military, and social affairs of all countries; Public Papers, Documents, Biographies, Statistics, Commerce, Finance, Literature, &c. It is written in a clear, forcible, and lucid style, so that it covers the world as the "American Cyclopædia," but each volume is confined to the results of its year.

It is an enterprise of immense value to the public, and ought to be in every library, public and private, as an invaluable book of reference.—(Atlas and Argus, Albany, N.Y.)—We highly recommend the "Annual Cyclopædia" to those who would have an accurate and ready history of contemporary events at hand, and as a safe work of reference.—(Evening Post, N.Y.)

It is indeed a most excellent work. It is thorough, reliable, and just such a work as is greatly needed, a faithful compiler of important events, to meet the wants of the public, and of too much account to be easily overlooked. (Daily Dealer, N.Y.)
